Selected Comments:

1. All of his classes are extremely well-organized, making the material very well laid out for each student.
2. I would enthusiastically recommend Marc to any of my friends, hands down.
3. Marc was very organized, and his lectures were always interesting and easy to follow.
4. Great lecturer, organized classes.
5. He exhibited a positive attitude toward the students and clearly tied theoretical concepts to real-world data, which was neat.
6. Marc was incredibly adept and patient in handling student questions.
